15 UNITED STATES DISTRICT COURT  
16 CENTRAL DISTRICT OF CALIFORNIA

17 ACADEMY OF MOTION PICTURE  
18 ARTS AND SCIENCES, a California  
19 nonprofit corporation,  
20 Plaintiff,

21 v.

22 GODADDY.COM, INC., a Delaware  
23 corporation,

24 Defendants.  
25  
26  
27  
28

Case No. **CV-13-08458**

**COMPLAINT**

-DTP  
(MANX)

1 Plaintiff, Academy of Motion Picture Arts and Sciences (“the Academy”  
2 or “Plaintiff”), a California nonprofit corporation brings this Complaint against  
3 Defendant GoDaddy.com, Inc. (“GoDaddy” or “Defendant”), and in so doing  
4 allege, upon information and belief, except as to allegations specifically  
5 pertaining to themselves, which are based on personal knowledge, as follows  
6 against Defendant:

### 7 8 **SUMMARY OF CLAIMS**

9 1. This action is brought by Plaintiff seeking redress for GoDaddy’s  
10 violations of the Anticybersquatting Consumer Protection Act (“ACPA”) 15  
11 U.S.C.A. § 1125(d), and California Business Professions Code Sections 17200.  
12 Said violations arise from Defendants’ actions to generate revenue from the  
13 unauthorized taking, use, and monetization of Plaintiff’s distinctive, famous  
14 and valuable marks. Plaintiff seeks redress for damages caused to it as a direct  
15 and proximate result of Defendants’ unauthorized monetization, registration,  
16 trafficking in, licensing and/or other such use of domain names belonging to  
17 and/or that are confusingly similar to Plaintiff’s valuable, protected, distinctive  
18 and famous marks. The instant action is related to and supplements a currently  
19 pending action between the same parties asserting the same theories of  
20 infringement under the ACPA and related state theories that was filed in May  
21 2010, Case No. 2:20-cv-03738-ABC-CW. In the pending action, Judge Collins  
22 has already made several summary judgment rulings, including on June 24,  
23 2013 and November 4, 2013. The instant action asserts claims related to  
24 parked pages on additional domain names not part of the pending action.

25 2. GoDaddy has deliberately taken, infringed, diluted and/or  
26 otherwise used, without authorization, the Academy’s rights in the OSCAR®,  
27 OSCARS® and OSCAR NIGHT®, ACADEMY AWARD®, ACADEMY  
28 AWARDS® marks (the “Academy’s Distinctive & Valuable Marks”). They

1 have done so through the registration, license, use, trafficking in, conversion,  
2 and monetization of Internet domain names that are identical to and/or  
3 confusingly similar to the Academy's Distinctive & Valuable Marks.

4 3. GoDaddy achieves monetary gain by using the Academy's  
5 Distinctive & Valuable Marks to knowingly divert internet traffic away from  
6 Plaintiff's legitimate websites, to infringing parked domains ("Deceptive  
7 Domains"). The infringing domains are "parked pages" that have no  
8 legitimate business purpose, display no substantive content, and are used  
9 exclusively for the display of revenue generating advertisements. Defendant  
10 derives revenue each time an internet user is directed to an infringing parked  
11 domain and an advertisement is "clicked." GoDaddy has been, or attempted  
12 to, derive revenue from hundreds of such infringing parked domains which  
13 demonstrates its bad faith intent to profit from advertising on domain names  
14 that are identical to, or confusingly similar to, the Academy's Distinctive &  
15 Valuable Marks.

16 4. Defendant's violations and misconduct have caused damage and  
17 losses to the Plaintiff. Plaintiff has expended significant time and expense in  
18 identifying infringing parked pages. Plaintiff has incurred the additional  
19 expense of consulting with attorneys and reimbursing them for the costs  
20 associated with numerous cease-and-desist letters to holders of infringing sites,  
21 which were rendered infringing by Defendants' services. Thereafter, Plaintiff  
22 incurred the expense of determining whether their cease-and-desist letters had  
23 been complied with. Finally, Plaintiff has suffered loss in the form of dilution  
24 of legally-protected trademarks as a result of Defendant's conduct in placing  
25 advertisements related to the Academy's marks on parked pages. This has  
26 occurred, and continues to occur, on numerous parked pages as set forth below.

1                   **SUBJECT MATTER JURISDICTION AND VENUE**

2           5.     This is an action for cybersquatting under 15 U.S.C. § 1125(d) and  
3     for violations of California statutory and common law. This Court has subject  
4     matter jurisdiction over this claim pursuant to 28 U.S.C. § 1331. This Court  
5     has supplemental jurisdiction pursuant to 28 U.S.C. § 1367.

6           6.     Venue is proper in this Judicial District pursuant to 28 U.S.C. §  
7     1391(b) as a substantial part of the events or omissions giving rise to the claim  
8     and the actual harm to Plaintiff occurred in this District by reason of the  
9     Defendant's conduct as alleged below. No other forum would be more  
10    convenient for the parties and witnesses to litigate this action. California law  
11    applies to all state law claims or controversies arising between the parties.

12  
13                   **PARTIES**

14           **A.     PLAINTIFF: THE ACADEMY**

15           7.     The Academy is a nonprofit corporation organized and existing  
16    under the laws of the State of California, with its principal place of business in  
17    Los Angeles County.

18           8.     The Academy was founded in 1927 by a group of 36 film industry  
19    leaders, who numbered among them Cecil B. Deville, Mary Pickford, Jack  
20    Warner and Douglas Fairbanks, for the purpose of advancing the motion  
21    picture arts and sciences by promoting cultural, educational and technological  
22    achievements. As an incentive for members of the industry to strive toward  
23    this goal and as a means of recognizing persons who make outstanding  
24    contributions in their respective creative fields, the Academy presents annual  
25    "Awards of Merit," known to the public as "Oscars." The Academy's Awards  
26    of Merit are alternatively referred to in the singular as "Academy Award" or  
27    "Oscar." The Oscars are presented during a nationally and internationally  
28    televised "Academy Awards" program.

1           9. The Academy owns the ACADEMY AWARD® and ACADEMY  
2 AWARDS® marks, which it has registered with the United States Patent and  
3 Trademark Office (“USPTO”) pursuant to Certificate of Registration No.  
4 2,245,965 for its ACADEMY AWARD mark and Certificate of Registration  
5 Nos. 1,103,859, 1,880,473 and 1,956,313 for its ACADEMY AWARDS mark.  
6 These marks are valid, subsisting, and incontestable, and, as the owner of these  
7 registered marks, the Academy has the rights to their exclusive use.

8           10. The Academy owns the OSCAR®, OSCARS® and OSCAR  
9 NIGHT® marks, which it has registered with the United States Patent and  
10 Trademark Office pursuant to Certificates of Registration Nos. 1,096,990,  
11 1,118,751, 1,996,585 and 2,021,582, for its OSCAR mark, Certificate of  
12 Registration No. 1,528,890 for its OSCARS mark, and Certificate of  
13 Registration No. 2,029,445 for its OSCAR NIGHT mark. These marks are  
14 valid, subsisting, and incontestable, and, as the owner of these registered  
15 marks, the Academy has the rights to their exclusive use.

16           11. With respect to Registration Nos. 1,103,859 and 1,880,473 for the  
17 ACADEMY AWARDS® mark, Registration No. 1,096,990 for the OSCAR®  
18 mark, and Registration No. 1,528,890 for the OSCARS® mark, the Academy  
19 has complied with the requirements set forth in Sections 8 and 15 of the  
20 Trademark Act of 1946. The Academy’s exclusive right to use those marks  
21 and its registrations thereof have become incontestable within the meaning of  
22 15 U.S.C. § 1065 and said certificates of registration constitute conclusive  
23 evidence of, *inter alia*, the Academy’s ownership of, and exclusive right to  
24 use, those marks.

25           12. The Academy is a venerable and important organization within the  
26 motion picture industry, responsible for encouraging the industry’s cultural,  
27 educational and technological advances. The Academy’s esteem is based on  
28 its reputation for conferring its Academy Award of Merit on only those

1 individuals who have shown outstanding achievement in their creative fields.  
2 Said award would not be a credible, highly prized award if the public and trade  
3 believed that the Academy sold or gave the award to persons other than its  
4 Academy Award of Merit winners. Indeed, the Academy does not license the  
5 Academy's Distinctive and Valuable Marks except to promote its annual  
6 Academy Awards® telecast or in connection with films that have been honored  
7 by the Academy. Specifically, the Academy does not otherwise allow the  
8 Academy's Distinctive and Valuable Marks to be used to advertise or promote  
9 any other product or service.

10 13. As a result of the Academy's long leadership of the film industry,  
11 extensive advertising, and media attention, the Academy's ACADEMY  
12 AWARD®, ACADEMY AWARDS®, OSCAR®, OSCARS®, and OSCAR  
13 NIGHT® marks have achieved widespread and favorable public acceptance  
14 and recognition, and have become assets of substantial value throughout this  
15 district, the United States, and the world.

16 14. The Academy's marks are recognized nationally and  
17 internationally as signifying the Academy's Award of Merit and annual  
18 Academy Awards® ceremony. The marks ACADEMY AWARD®,  
19 ACADEMY AWARDS®, OSCAR®, OSCARS®, and OSCAR NIGHT® have  
20 achieved a strong secondary meaning. The public universally associates the  
21 terms and marks "Academy Award", "Academy Awards", "Oscars" and  
22 "Oscar Night" with the Oscar® presentation by the Academy. The public also  
23 universally associates the terms and marks "Academy Award", "Oscar", and  
24 "Oscars" with the Oscar® statuette presented to the winners of the Academy's  
25 annual Awards of Merit. ACADEMY AWARD®, ACADEMY AWARDS®,  
26 OSCAR®, OSCARS®, and OSCAR NIGHT® are unquestionably linked in  
27 the public mind with the Academy and its Award of Merit. Indeed, referring to  
28 the Oscar® statuette, the Ninth Circuit has stated that "[t]he [OSCAR] mark

1 should be given the strongest possible protection against infringement.”  
2 *Academy of Motion Picture Arts and Sciences v. Creative House Promotions*,  
3 944 F.2d 1446, 1455 (9th Cir. 1991).

4 **B. DEFENDANTS**

5 15. Defendant GoDaddy is the “flagship company” of GoDaddy  
6 Group, Inc., an Arizona corporation with its principal place of business located  
7 at 14455 N. Hayden Rd., Suite 219, Scottsdale, AZ 85260. GoDaddy purports  
8 to be the world’s leading ICANN-accredited domain name registrar for .COM,  
9 .NET, .ORG, .INFO, .BIZ and .US domain extensions. It claims to have over  
10 forty (40) million domain names under its management, and boasts that “(a)s  
11 an ICANN-accredited domain registrar, GoDaddy has more names under  
12 management than any other registrar and has an array of internet based  
13 services.”

14 16. GoDaddy offers its services in interstate commerce, including, but  
15 not limited to such services as registration, certification, hosting, parking,  
16 redirection, transfer, and monetization through its “parking” program that  
17 monetizes participating domain names. GoDaddy has a number of other  
18 subsidiary companies, including: Wild West Domains, Inc., Starfield  
19 Technologies, and Blue Razor Domains.

20 17. This Court has personal jurisdiction over Defendant GoDaddy  
21 because it conducts substantial business within this district, has engaged in acts  
22 or omissions within this district causing injury, has engaged in acts outside this  
23 district causing injury within this district, and has engaged in conduct related  
24 to the unlawful activities at issue in this action causing injury and harm in this  
25 district, and/or has otherwise made or established contacts with this district  
26 sufficient to permit the exercise of personal jurisdiction.

27 18. GoDaddy has intentionally used domains that it knew or should  
28 have known infringed on the Academy’s Distinctive & Valuable Marks.

1 page. The revenue generated through this advertising is then split between the  
2 registrant, GoDaddy, and GoDaddy's advertising partner.

3 26. GoDaddy has submitted a United States Patent Application for  
4 "Systems and Methods for Filtering Online Advertising Trademarks". The  
5 patent application recognizes the need for systems and methods to filter online  
6 advertisements containing third-party trademarks because an unscrupulous  
7 domain name registrant could attempt to gain financially by signing up for  
8 domain parking advertising using a trademarked domain name notwithstanding  
9 that the rightful trademark owners would not want their trademarks used by  
10 others to profit from their trademarks. *Id.*, at [0007] and [0033]. The patent  
11 application reflects both GoDaddy's recognition of the need—and its ability—  
12 to protect against the very illegitimate activity and injury that it promotes and  
13 profits from.

14 27. GoDaddy knew it was harming trademark holders, such as the  
15 Academy, by monetizing domains utilizing their marks. In fact, GoDaddy  
16 provided an example of such harmful activity in its Patent Application. Its  
17 example is virtually identical to the activities the Academy complains of here  
18 and details precisely why advertisements should not be placed on Deceptive  
19 Domains:

20  
21 [0033] In such situations, an unscrupulous domain name  
22 registrant may attempt to financially gain from using the  
23 trademarked domain name. For example, he may sign up for  
24 one of the domain parking advertising methods discussed  
25 above. If the trademark owner is one of the advertisers  
26 partaking in the advertising program (many major products  
27 and services providers are), the trademark owner's  
28 advertisements and links may appear when an Internet user  
accesses the domain name registrant's parked webpage.  
Using the hypothetical example in the previous paragraph, if  
an Internet user accesses a parked webpage resolving from a  
domain name that includes a trademark (but is not owned or

1 controlled by the trademark owner--such as  
2 www.mygodaddy.com), the trademark owner and legitimate  
3 business entity's (GODADDY.COM) advertisements and  
4 links may appear. Legitimate trademark owners may not want  
5 their trademarks, advertisements, links, and websites used in  
6 such a manner because it allows others to profit from their  
7 trademarks. Such practices also may add credence or an air  
8 of legitimacy to any products or services offered on the  
9 domain name registrant's webpage.

[0034] For these reasons, systems and methods for filtering  
online advertisements containing third-party trademarks are  
needed.

10 Despite the foregoing, GoDaddy is committing the unscrupulous  
11 behavior described above to profit from The Academy's Distinctive &  
12 Valuable Marks.

13 28. Pursuant to the agreements GoDaddy requires its registrant-  
14 customers to agree to, GoDaddy is the authorized licensee of the registrants for  
15 the purpose of placing advertisements for commercial gain on the registrants'  
16 webpages in both the Parked Page Service and the Cash Parking Program.

17 29. GoDaddy, as the authorized licensee of the registrants, has  
18 licensed, monetized, used and/or trafficked in at least the following domain  
19 names in its Parked Page Service, with bad faith intent to profit from the  
20 Distinctive & Valuable Marks of the Academy:

Because there are so many infringing domain names, attached as Exhibits A-J are true and correct copies or screenshot exemplars from the list in paragraph 29.

30. GoDaddy, as the authorized licensee of the registrants in the Cash Parking Program, has licensed, monetized, used and/or trafficked at least the following domain names, with bad intent to profit from the famous, Distinctive & Valuable Marks of the Academy:

- 2012ACADEMYAWARDS.COM
- 2013ACADEMYAWARDS.COM
- ACADEMYAWARDS2011WINNERS.COM

- 8 • OSCARWINNINGMOVIES.COM
- 9 • ACADEMY-AWARDS-POOL.COM
- 10 • OSCAR-AWARDS-POOL.COM

11 Attached as Exhibits K-N are a few screenshots of examples from the list in  
12 paragraph 30.

13 31. As a direct and proximate result of Defendants' conduct alleged in  
14 this Complaint, the Academy has suffered injury to its business and property,  
15 suffered financial loss, been deprived of property, and has otherwise been  
16 damaged by Defendants' misconduct. Plaintiff's losses include the time and  
17 expense of locating infringing pages parked with the Defendant, and the fees  
18 for legal actions taken with respect to those pages. Plaintiff has also suffered  
19 lost value in its trademarks.

20 32. Through its Cash Parking program, Defendant GoDaddy and the  
21 Registrants of the domains have conspired to make money through their  
22 concerted action in registering, monetizing and sharing revenue from parked  
23 domains that infringe the Academy's Distinctive & Valuable Marks.

24 33. Defendant GoDaddy has engaged in acts in furtherance of their  
25 conspiracy, including but not limited to:

- 26 a. Registering the domains listed in paragraph 29 and 30:
- 27 b. Parking said domains and utilizing the parked domain to display
- 28 revenue generating advertisements (monetized parked domain); and

1 c. Sharing revenue generated from parked domains.

2 34. Defendant GoDaddy has continued to permit the domain names  
3 listed in paragraphs 29 and 30 to be registered and parked, even though the  
4 Academy previously filed a virtually identical lawsuit against GoDaddy for  
5 this same conduct and has sent numerous cease-and-desist letters to GoDaddy,  
6 demanding that it stop “registering or using the Academy’s trademarks, or any  
7 colorable imitations thereof, as domain names”. The Academy sent the  
8 numerous cease-and-desist letters to GoDaddy, and its registrants between  
9 August 1, 2007, and February 5, 2010 and filed a lawsuit on May 14, 2010.  
10 Despite the foregoing, many of the domain names that were the subject of  
11 these cease-and-desist letters are strikingly similar or identical to the domain  
12 names that Defendant GoDaddy permitted to be registered and parked several  
13 years later. For example:

- 14 • On July 6, 2009, the Academy sent GoDaddy.com, Inc. a cease-  
15 and-desist letter for ACADEMYAWARDSDVD.COM. Despite  
16 that letter, Defendant GoDaddy later permitted  
17 OSCARDVD.COM to be registered and parked; and
- 18 • On February 21, 2008, October 10, 2008, July 6, 2009, July 22,  
19 2009, and August 6, 2009, the Academy sent and GoDaddy.com,  
20 Inc. cease-and-desist letters for domain names that incorporated  
21 variations of Academy Awards with the term “winners.” Despite  
22 those letters, Defendant GoDaddy later permitted  
23 ACADEMYAWARDS2011WINNERS to be registered and  
24 parked.

25 35. Plaintiff has expended significant time and expense, including in  
26 connection with the retention of counsel and third party domain monitoring  
27 services, in identifying these infringing pages and sending the cease-and-desist  
28 letters. In addition, Defendants’ illegal activities result in advertising related

1 to the Academy's marks being placed on numerous parked pages that have no  
2 actual relationship to the Academy, thereby causing dilution of Plaintiff's  
3 interest in legally protected trademarks.

4  
5 **FIRST CLAIM FOR RELIEF**

6 **(Violation of the Anticybersquatting Consumer Protection Act)**

7 **(Against Defendant GoDaddy.com, Inc..)**

8 36. Plaintiff hereby repeats and re-alleges all of the preceding  
9 paragraphs as though fully set forth herein.

10 37. Plaintiff has standing to pursue this claim as Plaintiff has suffered  
11 injury in fact and has lost money or property as a result of Defendants' actions  
12 as set forth above.

13 38. In 1999, Congress passed the Anticybersquatting Consumer  
14 Protection Act ("ACPA" or "Act"), 15 U.S.C.A. § 1125(d), to protect  
15 consumers and American businesses, to promote the growth of online  
16 commerce, and to provide clarity in the law for trademark owners.

17 39. 15 U.S.C. 1125(d) provides:

18  
19 **(d) Cyberpiracy prevention**

20 (1)(A) A person shall be liable in a civil action by the owner  
21 of a mark, including a personal name which is protected as a  
22 mark under this section, if, without regard to the goods or  
23 services of the parties, that person—

24 (i) has a bad faith intent to profit from that mark,  
25 including a personal name which is protected as a mark  
26 under this section; and

27 (ii) registers, traffics in, or uses a domain name  
28 that—

(I) in the case of a mark that is distinctive at  
the time of registration of the domain name, is  
identical or confusingly similar to that mark;

1 (II) in the case of a famous mark that is famous  
2 at the time of registration of the domain name, is  
3 identical or confusingly similar to or dilutive of  
4 that mark; or

5 (III) is a trademark, word, or name protected by  
6 reason of section 706 of title 18 or section  
7 220506 of title 36.

8 15 U.S.C. 1125 (d)(E) provides:

9 As used in this paragraph, the term “traffics in” refers to  
10 transactions that include, but are not limited to, sales,  
11 purchases, loans, pledges, licenses, exchanges of currency,  
12 and any other transfer for consideration or receipt in  
13 exchange for consideration.

14 40. The ACPA applies not only to individuals and companies who  
15 register domain names, but also to: (1) registrants of the Deceptive Domains;  
16 (2) anyone who “uses” the domain name which is defined as the registrant or  
17 the “authorized licensee” of the registrants of the Deceptive Domains; and (3)  
18 anyone who “traffics in” Deceptive Domains, which refers to anyone involved  
19 in any transactions that include, but are not limited to, sales, purchases, loans,  
20 pledges, licenses, exchanges of currency, and any other transfer for  
21 consideration or receipt in exchange for consideration, whether or not the  
22 person is the registrant of the Deceptive Domain.

23 41. The ACPA makes unlawful the use, licensing, pledging,  
24 trafficking in, or any other exchange of consideration for the use of the  
25 Deceptive Domain Names. Defendants’ conduct in monetizing the infringing  
26 Deceptive Domains violates the Act.

27 42. As alleged herein, GoDaddy has acted as the authorized licensee  
28 of the registrants and used the infringing Deceptive Domains in violation of the  
ACPA, with bad faith intent to profit from the Academy’s Distinctive &  
Valuable Marks.

1           43. GoDaddy's acts as alleged herein constitute the use of and  
2 trafficking in infringing Deceptive Domains, in violation of the ACPA with  
3 bad faith intent to profit from the Academy's Distinctive & Valuable Marks.

4           44. GoDaddy's acts as alleged herein constitute cyberpiracy,  
5 cybersquatting, and/or typosquatting (a form of cybersquatting based on  
6 typographical errors users may make in entering domain names into a web  
7 browser), in violation of the ACPA.

8           45. The Academy's Distinctive & Valuable Marks were distinctive,  
9 famous, venerable, valuable, and federally-registered before GoDaddy  
10 registered, trafficked in or acted as the authorized licensee of various  
11 registrants and used the Deceptive Domains.

12           46. The infringing Deceptive Domains, including without limitation  
13 those identified in paragraphs 32 and 33 are identical or confusingly similar to  
14 the Academy's Distinctive & Valuable Marks.

15           47. GoDaddy does not have any intellectual property rights or any  
16 other rights in the Academy's Distinctive & Valuable Marks.

17           48. None of the infringing Deceptive Domains consist of the legal  
18 name of GoDaddy, or a name that is otherwise commonly used to identify  
19 GoDaddy.

20           49. GoDaddy has never made any prior use of any of the infringing  
21 Deceptive Domains in connection with the *bona fide* offering of any goods or  
22 services.

23           50. GoDaddy trafficked in and used the infringing Deceptive Domains  
24 to divert consumers from Plaintiff's websites to websites accessible from the  
25 infringing Deceptive Domains. GoDaddy thereby created a likelihood of  
26 confusion as to the source, sponsorship, affiliation, or endorsement of the  
27 infringing Deceptive Domain websites.

28           51. GoDaddy has used, trafficked in, and acted as registrant's

1 authorized licensee in the infringing Deceptive Domains which it knew were  
2 identical or confusingly similar to the protected and Distinctive & Valuable  
3 Marks of Plaintiff, which were distinctive at the time of the registration and  
4 continue to be distinctive.

5 52. GoDaddy's trafficking in, and/or use, as the authorized licensee of  
6 the registrant, of the infringing Deceptive Domains constitutes cybersquatting  
7 in violation of 15 U.S.C. § 1125(d).

8 53. By reason of GoDaddy's acts alleged herein, a remedy at law is  
9 not adequate to compensate plaintiff for the injuries inflicted by Defendants.  
10 Accordingly, Plaintiff is entitled to preliminary and permanent injunctive relief  
11 pursuant to 15 U.S.C. § 1116.

12 54. By reason of Defendants' acts alleged herein, Plaintiff is entitled  
13 to recover GoDaddy's profits, actual damages and the costs of the action, or,  
14 on Plaintiff's election, statutory damages under 15 U.S.C. § 1117, in an  
15 amount up to \$100,000 per domain name infringement.

16  
17 **SECOND CLAIM FOR RELIEF**

18 **(Violation of California Business & Professions Code**

19 **Section 17200 et seq. -Unfair Conduct)**

20 **(Against Defendant GoDaddy.com, Inc.)**

21 55. Plaintiff realleges the preceding paragraphs as if fully set forth  
22 herein and, to the extent necessary, pleads this cause of action in the  
23 alternative.

24 56. Plaintiff has standing to pursue this claim as Plaintiff has suffered  
25 injury in fact and has lost money or property as a result of Defendants' actions  
26 as set forth above. Those losses include the expense of locating infringing web  
27 pages and legal fees for issuing cease-and-desist letters. Those losses also  
28 include dilution of Plaintiff's trademarks.

1           57. GoDaddy's actions as alleged in this complaint constitute "unfair"  
2 conduct within the meaning of California Business and Professions Code  
3 sections 17200 *et seq.*

4           58. GoDaddy's business practices, as alleged herein, are "unfair"  
5 because they offend established public policy and/or are immoral, unethical,  
6 oppressive, unscrupulous and/or substantially injurious to business owners and  
7 commerce within the State of California. GoDaddy's conduct is "unfair"  
8 because Defendants' use valuable property that does not belong to  
9 Defendants', without the owners' permission or consent, for Defendants' own  
10 commercial/economic gain.

11           59. As a result of GoDaddy's "unfair" conduct, Plaintiff has been  
12 deprived of its property, had its property and goodwill diluted and diminished,  
13 suffered economic/financial loss, and was otherwise injured and damaged. As  
14 indicated above, those losses include costs associated with identifying  
15 infringing sites promulgated as a result of GoDaddy's illegal conduct, as well  
16 as dilution and diminution in value of Plaintiff's valuable and legally protected  
17 trademarks.

18           60. The general public has been damaged by GoDaddy's unfair  
19 conduct by being confused and misdirected on the internet.

20           61. GoDaddy's wrongful business practices alleged herein constituted,  
21 and continue to constitute, a continuing course of unfair competition since  
22 GoDaddy continues to generate revenue in a manner that offends public policy  
23 and/or in a fashion that is immoral, unethical, oppressive, unscrupulous and/or  
24 substantially injurious to its California businesses, commerce, competition and  
25 general public.

26           62. Pursuant to Cal. Bus. & Prof. Code §17203, Plaintiff seeks an  
27 Order enjoining GoDaddy from continuing to engage in unlawful, unfair,  
28 and/or deceptive business practices and any other act prohibited by law,

1 including those acts set forth in this complaint.

2 63. Plaintiff also seeks an order requiring GoDaddy to make full  
3 restitution of all monies it has wrongfully obtained from Plaintiff, along with  
4 all other relief allowable under Cal. Bus. & Prof. Code §17200 *et seq.*

5  
6 **THIRD CLAIM FOR RELIEF**

7 **(Violation of California Business & Professions**

8 **Code § 17200 et seq.-Unlawful Conduct)**

9 **(Against Defendant GoDaddy.com, Inc.)**

10 64. Plaintiff realleges the preceding paragraphs as if fully set forth  
11 herein and, to the extent necessary, pleads this cause of action in the  
12 alternative.

13 65. Plaintiff has standing to pursue this claim as Plaintiff has suffered  
14 injury in fact and has lost money or property as a result of Defendants' actions  
15 as set forth in detail above.

16 66. GoDaddy's actions as alleged in this complaint constitute an  
17 "unlawful" practice within the meaning of California Business and Professions  
18 Code §17200 *et seq.* because GoDaddy's actions are "unfair" and violate both  
19 federal statutory law and California statutory and common law.

20 67. Pursuant to Cal. Bus. & Prof. Code § 17203, Plaintiff seeks an  
21 Order enjoining GoDaddy from continuing to engage in unlawful business  
22 practices, including those acts set forth in this complaint.

23 68. Plaintiff seeks an order requiring GoDaddy to make full restitution  
24 of all moneys it has wrongfully obtained from Plaintiff, along with all other  
25 relief allowable under Cal. Bus. & Prof. Code §17200 *et seq.*

**FOURTH CLAIM FOR RELIEF**

**(Contributory Cybersquatting)**

**(Against Defendant GoDaddy.com, Inc.)**

69. Plaintiff realleges the preceding paragraphs as if fully set forth herein and, to the extent necessary, pleads this cause of action in the alternative.

70. Plaintiff has standing to pursue this claim as Plaintiff has suffered injury in fact and has lost money or property as a result of GoDaddy's actions as set forth in detail above and below.

71. Defendant GoDaddy.com, Inc. provides a service – the Cash Parking Program – that registrants can and do use to unlawfully monetize domain names that contain trademarks, including the Academy's trademarks. GoDaddy.com, Inc. exercises control over the Cash Parking Program, and it knows or should know that the Cash Parking Program is being used to infringe upon trademarks, including the Academy's trademarks.

72. Defendant GoDaddy.com, Inc. encourages registrants to use the Cash Parking Program to engage in trademark infringement. In fact, Defendant GoDaddy.com, Inc. even provides domain name registrants with lists of infringing domain names that are available for registration and parking. For example, if one were to search for the domain OSCARS.COM on GoDaddy.com, Inc.'s website, GoDaddy.com, Inc. would notify the customer that that domain is taken but would suggest several other domains that include the OSCARS mark. Even though it could do so, GoDaddy.com, Inc. has put into place no mechanisms to prevent trademarked domain names from being entered into the Cash Parking Program.

**PRAYER FOR RELIEF**

WHEREFORE, the Academy prays for relief as follows:

a. The Court enter a judgment that Defendants have violated the rights of the Academy in the Academy's Distinctive & Valuable Marks.

b. The Court adjudge and decree that GoDaddy, its agents, representatives, employees, assigns and suppliers, and all persons acting in concert or privity with GoDaddy, be preliminarily and permanently enjoined from the following activities:

1. Registering, using, or trafficking in any manner, in any domain name that incorporates, in whole or in part, the Academy's Distinctive & Valuable Marks or any name, mark or designation confusingly similar thereto ("Deceptive Domains");
2. Using the Academy's Distinctive & Valuable Marks, or any other name, mark, designation or depiction in a manner that is likely to cause confusion regarding whether Defendant is affiliated or associated with or sponsored by Plaintiff;
3. Registering any domain name using an automated process that is intended to create (or which could result in the creation of) Deceptive Domains;
4. Engaging in typosquatting;
5. Engaging in cybersquatting;
6. Engaging in cyberpiracy;
7. Engaging in contributory cybersquatting;
8. Assisting, conspiring with, aiding or abetting any other person or business entity in engaging in or performing any of the activities referred to above.

c. The Court award statutory damages under 15 U.S.C. § 1117(d), on

1 election of Plaintiff, in an amount of One Hundred Thousand Dollars  
2 (\$100,000.00) per domain name infringement;

3 d. The Court adjudge and decree that GoDaddy be ordered to pay the  
4 Academy's reasonable attorney fees, prejudgment interest, and costs of this  
5 action;

6 e. That, with respect to state statutory law claim,

7 1. the GoDaddy be permanently enjoined and restrained from,  
8 in any manner, directly or indirectly, continuing, maintaining, or engaging in  
9 the unfair, unlawful, and/or deceptive practices alleged herein;

10 2. That Plaintiff be awarded full restitution of money  
11 Defendants have unlawfully obtained, as well as compensatory damages and/or  
12 all other available monetary and equitable remedies;

13 3. That Plaintiff be awarded both pre-and post-judgment  
14 interest at the maximum allowable rate on any amounts awarded;

15 4. That Plaintiff recover its costs of suit, including reasonable  
16 attorneys' fees as provided by law; and

17 f. That Plaintiff be awarded such other and further relief as may be  
18 necessary and appropriate.

UNITED STATES DISTRICT COURT  
CENTRAL DISTRICT OF CALIFORNIA

NOTICE OF ASSIGNMENT TO UNITED STATES JUDGES

This case has been assigned to District Judge Dean D. Pregerson and the assigned Magistrate Judge is Margaret A. Nagle.

The case number on all documents filed with the Court should read as follows:

2:13-CV-8458-DDP (MANx)

Pursuant to General Order 05-07 of the United States District Court for the Central District of California, the Magistrate Judge has been designated to hear discovery related motions.

All discovery related motions should be noticed on the calendar of the Magistrate Judge.

Clerk, U. S. District Court

November 15, 2013  
Date

By MDAVIS  
Deputy Clerk

---

---

NOTICE TO COUNSEL

*A copy of this notice must be served with the summons and complaint on all defendants (if a removal action is filed, a copy of this notice must be served on all plaintiffs).*

**Subsequent documents must be filed at the following location:**

☒ Western Division  
312 N. Spring Street, G-8  
Los Angeles, CA 90012

☐ Southern Division  
411 West Fourth St., Ste 1053  
Santa Ana, CA 92701

☐ Eastern Division  
3470 Twelfth Street, Room 134  
Riverside, CA 92501

**Failure to file at the proper location will result in your documents being returned to you.**

**UNITED STATES DISTRICT COURT  
CENTRAL DISTRICT OF CALIFORNIA**

ACADEMY OF MOTION PICTURE ARTS AND  
SCIENCES

CASE NUMBER

2:14-CV-8458-DDP (MANx)

PLAINTIFF(S)

GODADDY.COM, INC. v.

**NOTICE TO PARTIES OF  
COURT-DIRECTED ADR PROGRAM**

DEFENDANT(S)

**NOTICE TO PARTIES:**

It is the policy of this Court to encourage settlement of civil litigation when such is in the best interest of the parties. The Court favors any reasonable means, including alternative dispute resolution (ADR), to accomplish this goal. *See* Civil L.R. 16-15. Unless exempted by the trial judge, parties in all civil cases must participate in an ADR process before trial. *See* Civil L.R. 16-15.1.

The district judge to whom the above-referenced case has been assigned is participating in an ADR Program that presumptively directs this case to either the Court Mediation Panel or to private mediation. *See* General Order No. 11-10, §5. For more information about the Mediation Panel, visit the Court website, [www.cacd.uscourts.gov](http://www.cacd.uscourts.gov), under "ADR."

Pursuant to Civil L.R. 26-1(c), counsel are directed to furnish and discuss with their clients the attached ADR Notice To Parties *before* the conference of the parties mandated by Fed.R.Civ.P. 26(f). Based upon the consultation with their clients and discussion with opposing counsel, counsel must indicate the following in their Joint 26(f) Report: 1) whether the case is best suited for mediation with a neutral from the Court Mediation Panel or private mediation; and 2) when the mediation should occur. *See* Civil L.R. 26-1(c).

At the initial scheduling conference, counsel should be fully prepared to discuss their preference for referral to the Court Mediation Panel or to private mediation and when the mediation should occur. The Court will enter an Order/Referral to ADR at or around the time of the scheduling conference.

Clerk, U. S. District Court

**UNITED STATES DISTRICT COURT  
CENTRAL DISTRICT OF CALIFORNIA**

**NOTICE TO PARTIES: COURT POLICY ON SETTLEMENT  
AND USE OF ALTERNATIVE DISPUTE RESOLUTION (ADR)**  
**Counsel are required to furnish and discuss this Notice with their clients.**

Despite the efforts of the courts to achieve a fair, timely and just outcome in all cases, litigation has become an often lengthy and expensive process. For this reason, it is this Court's policy to encourage parties to attempt to settle their disputes, whenever possible, through alternative dispute resolution (ADR).

ADR can reduce both the time it takes to resolve a case and the costs of litigation, which can be substantial. ADR options include mediation, arbitration (binding or non-binding), neutral evaluation (NE), conciliation, mini-trial and fact-finding. ADR can be either Court-directed or privately conducted.

The Court's ADR Program offers mediation through a panel of qualified and impartial attorneys who will encourage the fair, speedy and economic resolution of civil actions. Panel Mediators each have at least ten years of legal experience and are appointed by the Court. They volunteer their preparation time and the first three hours of a mediation session. This is a cost-effective way for parties to explore potential avenues of resolution.

This Court requires that counsel discuss with their clients the ADR options available and instructs them to come prepared to discuss the parties' choice of ADR option (settlement conference before a magistrate judge; Court Mediation Panel; private mediation) at the initial scheduling conference. Counsel are also required to indicate the client's choice of ADR option in advance of that conference. *See* Civil L.R. 26-1(c) and Fed.R.Civ.P. 26(f).

Clients and their counsel should carefully consider the anticipated expense of litigation, the uncertainties as to outcome, the time it will take to get to trial, the time an appeal will take if a decision is appealed, the burdens on a client's time, and the costs and expenses of litigation in relation to the amounts or stakes involved.

With more than 15,000 civil cases filed in the District in 2012, less than 1 percent actually went to trial. Most cases are settled between the parties; voluntarily dismissed; resolved through Court-directed or other forms of ADR; or dismissed by the Court as lacking in merit or for other reasons provided by law.

For more information about the Court's ADR Program, the Mediation Panel, and the profiles of mediators, visit the Court website, [www.cacd.uscourts.gov](http://www.cacd.uscourts.gov), under "ADR."
